      <h2>Financial Solution</h2>

      <p>Kadg Budget financial solution  is Personal Expense Tracker (PET) which is a daily expense management system which is

        specially designed for non- salaried and salaried personnel for keeping track of their daily expenditure with easy and

        effective way through computerized system which tends to eliminate manual paper works. It will also manage records in

        systematic way and user can access the stored data conveniently. We have tried to design the project in such way that

        user may not have any difficulty in using this application without much effort.
```

```html
      This software can be really used by end user who have Android running devices with them.  </p>
